Verifiers not needed will be released to their normal duties each day.

h. Action. Marksmanship training will be conducted per references (a) through (c) and (e) through (g) and the contents of this Bulletin.

(1) Commanding Officers

(a) Ensure a PFI is conducted for all service pistols and rifles prior to the start of each detail.

(b) Ensure once a shooter's weapon has passed the PFI, that Marine is issued that same weapon for every firing day.

(c) Ensure range quotas requested per enclosures (1) and (2) are strictly adhered to. Unused quotas cannot be saved up and used later. Provide unwanted quotas to the OIC, MTU, at least two weeks in advance, so they can be given to another unit. Additional quotas can be requested from the OIC, MTU, at anytime up to the Non Firing NCOIC brief for that detail. Inter command bargaining and liaison is highly encouraged to fill quota assignments.

(d) Ensure Non Firing NCOICs are assigned as outlined in this Bulletin. (Paragraph 4b refers).

(e) Ensure pit officers/verifiers are assigned as required.

(f) Ensure full compliance with the Fleet Assistance Program (FAP) requirements to staff the MTU per reference (e).

(g) Ensure all preparatory training is conducted in strict compliance with reference (b), and is certified by name before the start of live fire.

(2) Director, Manpower Directorate. Ensure proper staffing of the MTU per reference (e).

(3) Director, Installations and Logistics (I&L) Directorate. Provide an emergency vehicle during periods of live fire and vehicles as necessary to move targets, supplies, ammunition, and to remove brass and trash.

(4) Commanding Officer, Naval Hospital. Provide a corpsman with appropriate equipment to the MTU daily.

(5) Officer In Charge, MTU

(a) Conduct qualification, requalification, and field firing per applicable directives.

(b) Conduct OPTIONAL preparatory training periods before each rifle firing detail to allow commanders who lack qualified instructors an option for preparatory training.

(c) Ensure Marines assigned as RSO are thoroughly trained in their duties and responsibilities, specifically the instructions contained in this Bulletin (paragraph 4d refers).

(d) Ensure Marines assigned to operational/coaching duties have received advanced marksmanship training and/or participated in the Marine Corps Competition-in-Arms Program.

(e) Provide results of all record firing to each command (attn: S3). Retain official scorecards for 2 years after firing.

(f) Ensure that only minimum scores (25 rifle, 245 pistol) are reported for those Marines who failed to qualify/requalify upon their first attempt, but who qualify/requalify in a subsequent attempt.

(g) Report interrupted or postponed record firing to the Director, Operations and Training (O&T) Directorate. Record firing may be interrupted if it appears that existing circumstances will preclude a reasonable test of the Marine's known distance marksmanship ability, or when safety requirements dictate. When conditions permit, commence firing from the point at which the interruption occurs per reference (b).

(h) Ensure a PFI has been completed on all weapons used for annual qualification/requalification training. Keep copies of PFIs on file for 90 days after all firing is complete.

(i) Ensure that approved hearing protection is worn by all personnel on the firing line while firing is in progress.

(j) Ensure rifle range quota assignments do not exceed the safety limits for the number of range operation personnel assigned or for the range facility.

(k) Approve requests for special use of all ranges to ensure desired training does not interfere with required marksmanship training. Ensure units or organizations using these ranges comply with the required safety procedures.
